

# *Holy Cross Prep Designer Bag Bingo*

---

For over 65 years, Holy Cross Preparatory Academy (formerly Holy Cross High School) in Delran, NJ has provided education and been a fixture in the Burlington County neighborhood and business communities. Diligence and foresight have helped create a new school in the last six years, and we continue to give thanks to alumni and supporters that made it happen. The school has rebuilt its faculty, student body and extracurricular activities.

This year, a Parent-Teacher Organization (PTO) was formed at Holy Cross Prep to help strengthen our school.

A committee is working hard to host this first event:

## ***Designer Bag Bingo - Friday, March 8, 2024***

We are requesting donations from local businesses to help support the Lancers to and make the event a success. All proceeds will benefit the Holy Cross Prep Academy students directly. Any donation is much appreciated.

Your business is valuable, and we look forward to your partnership. If you have any questions, please email the Lancer PTO at [hclancerpto@gmail.com](mailto:hclancerpto@gmail.com).
